## MAKE CLEAR OF STARK ON BOTH SIDES

End of Campaign Finds Re-  
publicans of New York Pos-  
sessing More Confidence in  
Result Than the Democrats.

## OLD GUARD EXPECTED TO VOTE THE TICKET

New Jersey, Connecticut, Mas-  
sachusetts, Rhode Island  
and New Hampshire Certain  
to Land on Republican Side

## SOME FORECAST FIGURES

NEW YORK, Nov. 7.—The state go-  
vernatorial campaign passed in  
to history tonight with Henry  
L. Stimson, the Republican candidate,  
and Theodore Roosevelt, his leading  
backer, making last appeals for votes.

The final word on the Democratic  
side was spoken Sunday night, when  
John A. Dix, head of the ticket, sent  
Mr. Stimson his answers to the twelve  
questions telegraphed by Stimson to  
Mr. Dix.

Mr. Dix spent the last day of the  
campaign at home. Mr. Stimson oc-  
cupied the morning preparing an  
answer to his rival's reply. Sunday  
night, and the rest of the day and  
evening on the stump or in an auto-  
mobile hurrying between political rallies  
in New York City.

Mr. Stimson's telegram to Mr. Dix ac-  
cused him of evading the issues ad-  
vanced by the Republican candidate's  
first message. Dix answered several  
questions by Dix, and repeated ques-  
tions which Stimson considered Dix  
had left unanswered. Mr. Dix said last  
night his statement issued then was  
positively his last work before elec-  
tion and he repeated this assertion  
when Chairman Rodie of the Demo-  
cratic executive committee talked with  
him at Thomson this afternoon.

The Dix leaders declare that the  
quiet that prevailed today on their side  
of the campaign was itself evidence of  
confidence.

"Our party machinery up-state is in  
better shape than at any other time  
in fifteen years," said Chairman Rodie.  
"We have not had a single mes-  
sage today, which indicates to us that  
everything is satisfactory."

Republicans Confident.  
Chairman Prentice of the Republican  
state committee said today that he  
was "absolutely confident we will  
carry the whole ticket and I don't think  
the vote will be close."

Lloyd C. Griscom, chairman of the  
Republican county committee, said:  
"The situation looks better today  
than it did two weeks ago."

Charles F. Murphy, leader of Tam-  
many Hall, kept his opinions to him-  
self.

The Democrats have hopes of oust-  
ing three Republican congressmen in  
the Thirtieth district, Herbert Par-  
sons, former Republican county chair-  
man, is opposed by Jefferson M. Levy,  
who once represented the district and  
who has attacked Mr. Parson for al-  
leged sugar trust affiliations.

In the Seventh district, William S.  
Bennet, who was a publicist for the  
Republican gubernatorial nomination,

## COLONEL ROOSEVELT'S FINAL EFFORT FOR REFORM CASE

Former President Flays the Demo-  
crats and Predicts Success  
of Republicans

NEW YORK, Nov. 7.—Predicting the election of Henry L. Stimson, Theodore Roosevelt tonight completed his campaign for the Republican party, which has extended over more than a month and carried into New York, Massachusetts, New Hampshire, Ohio, Indiana and Iowa.

The colonel delivered two speeches this afternoon and six tonight, not counting an address before a birthday dinner given in his honor by the Hungarian Republican club and a campaign speech in behalf of Representative W. W. Cocks at Astoria, L. I.

"We are going to knock them  
through the ropes," was the way Col-  
onel Roosevelt put it in his speeches  
today. He continued his attack on John  
A. Dix and at times switched his fire  
to Mr. Dix's associates on the Demo-  
cratic ticket.

"I ask you to look at what Mr. Dix's  
supporters, the Evening Post, says of  
Mr. Dix's colleagues," said he.

"Mr. Dix says he wants to 'turn the  
calculus of light' on the wrongdoers  
at Albany. Let him turn  
it on the men running on his own  
ticket. The Evening Post says of his  
candidate for lieutenant governor that  
he is a member of the Smith-Wood  
machine, a man of mediocre capacity;  
of the candidate for comptroller, that  
he is a man of bad legislative record  
and a subservient Tammany tool who  
should be defeated; of the candidate for  
treasurer, that the charges against him  
involved the holding up of franchises  
and the juggling of city contracts, that  
he is a 'ward boss' and the 'strong arm'  
of William J. Connors political machine  
in Buffalo, and should be defeated; of  
the candidate for attorney general, that  
he was the willing tool of Murphy and  
William J. Connors, and that his can-  
didacy is an insult to all decent men."

## STRIKE VOTE TO BE TAKEN

Termination of the Conference  
Between Managers of Sixty-  
One Railroads and Officers  
of Engineers' Brotherhood.

## RIO GRANDE SYSTEM NOT INVOLVED IN TROUBLE

Negotiations for Higher Wage  
Scale Have Been Going on  
Since September 26, but No  
Agreement Was Reached

## VOTE TO BE TAKEN AT ONCE

CHICAGO, Nov. 7.—A strike vote will  
be taken among the engineers of  
sixty-one roads west, south and  
north of Chicago, following the termi-  
nation today of negotiations between  
the roads and grand officers of the  
Brotherhood of Locomotive Engineers,  
which had been under consideration  
since September 26.

Wage increases of approximately 7  
per cent and alteration of working con-  
ditions stood between the negotiators.  
Grand Chief Warren S. Stone of the  
Brotherhood said today he believed the  
strike vote would be unanimously in  
favor of suspension of work, and that  
the engineers would have expressed  
their desire by December 10. Immedi-  
ately thereafter, he said, a last op-  
portunity would be given the railroads  
to meet the workers, and if they ig-  
nored that opportunity within five  
hours every engine west of Chicago  
would be stilled, the fires drawn and  
out of the thousands of cabs would  
step every driver on duty.

The representatives of the engine-  
men in the twenty-five conferences  
which ended today were:  
Warren S. Stone, grand chief; Ash  
Kennedy, F. A. Burgess, E. Corrigan,  
M. W. Cadie and H. E. Willis, assistant  
grand chiefs, Brotherhood of Locomo-  
tive Engineers.

They received the advice of fifty di-  
vision managers of the brotherhood,  
who recently represented the smaller  
councils in the road.

Railroad officials, as follows, heard  
the engine drivers' demands:  
W. B. Scott of the Union Pacific;  
F. E. Ward of the Burlington lines;  
F. C. Bacheider of the Chicago Ter-  
minal and Baltimore & Ohio; F. A.  
Durham of the Missouri, Kansas &  
Texas; G. H. Emerson of the Great  
Northern; T. J. Foley of Illinois Cen-  
tral; F. C. Hoy of the Atchison, To-  
peka & Santa Fe; Grant Hall of the  
Canadian Pacific; H. J. Simmons of  
the El Paso & Southwestern and A. W.  
Trenholm of the Chicago, St. Paul,  
Minneapolis & Omaha.

Wages Unsatisfactory.  
The whole question arose from the  
decision of the engineers in convention  
at Detroit last spring. In a three-  
week session it was decided that the  
existing wage scale, in effect since  
February, 1907, was unsatisfactory, and  
that working conditions had been im-  
proved by railroads which should be  
eliminated. The grand officers were  
instructed to meet the railroad man-  
agers and present the demands.

The general working conditions of  
which the engineers complain include  
the following:  
Drivers of the Mallet compound en-  
gines which do practically the work of  
two engines and entail a correspond-  
ing responsibility and capability re-  
ceive the same wages as other drivers  
of high power engines of much smaller  
capacity.

Engineers wish to be relieved of  
the toil of preparing their engines for  
travel and of caring for them after  
runs, and ask that switching time be  
paid for on a different basis.

The magnitude of the wage question

## CLOSING WORDS FROM HEADQUARTERS

FROM THE STATE CHAIRMAN.

To the Voters of Utah:  
Utah is safe in the Republican column. Reports from all over the state assure the election of the Republican ticket. Every county in the state is safely Republican, with the possible exception of Washington county, and the indications there are that the Republican state, legislative and county tickets have their chance.

The assaults that have been made upon Republican principles have not been effective. The question of state-wide prohibition, which was brought into the campaign by the Democratic leaders to becloud the issue, has not had that effect. The Republican state platform offers the only practicable solution of the liquor question, and the people of the state have come to understand that thoroughly.

Salt Lake City and county will go Republican. The Republican ticket will go out of the city with a greater plurality than two years ago, and the plurality in the county two years ago will be increased.

Utah, Cache, Weber and Sanpete counties, where the opposition has consumed much of its energy, are safely Republican. The entire state is in excellent shape for the Republican ticket. The campaign is practically closed, and there remains nothing to be done further than to get out the Republican vote.

C. E. LOOSE,  
Republican State Chairman.

## FROM THE COUNTY CHAIRMAN

To the Voters of Salt Lake County:

Every candidate on the Republican ticket will carry Salt Lake county, and the city will give a greater plurality than it did two years ago. The Democratic ticket has no possible chance, and will cast about the same vote in the aggregate that it did two years ago. The fight here is between the Republican and "American" parties. Two years ago the Republican candidates defeated their Democratic opponents by over 11,000 votes, and will do even better than that this time. A vote for the Democratic ticket means really nothing. The result two years ago was: Republicans, 17,991; Democrats, 6,945; "Americans," 12,115. We will do even better than that this time.

Absolutely no canvass has been made by the Democratic leaders; they have no workers out; they have had no organization. They have made no attempt at a contest, with the exception of a few speeches in the county and a long list of correspondence from state headquarters.

On the other hand, the Republican organization has been a perfect one. There has been thorough and earnest work. All that it is necessary to do to reap the benefit of this is to work just as earnestly today as heretofore. Beware of roorbacks. The American party is beaten, and knows it, and every sort of tactics will be tried to get a vote. Sensational stories will be concocted at the last minute.

At the headquarters of the American party it is known that their only hope today is by inventing something that will stem the tide of Republicanism that has set in.

If there is any trouble at the polling places, if sensational stories are being used, if campaign canards calculated to be damaging are circulated, call the county chairman on the telephone—Bell 5871, 5872 or 5873, and Independent 4314, 4315, 4316.

We will reap today the reward for the hard work that has been done. Get out the vote and a Republican victory is sure.

J. U. ELDERIDGE, JR.,  
Republican County Chairman.

## CHAIRMAN LOOSE PREDICTS VICTORY ALL OVER THE STATE

Republicans Will Sweep Utah and Every County With One  
Possible Exception—Chairman Moyle Sanguine;  
Organizations Are Ready for Supreme Test.

BY COL. C. E. LOOSE,  
Republican State Chairman.

The Republican party will carry every county in the state, with the possible exception of Washington county. We will elect Congressman Howell and Judge Straup by over 15,000 plurality. The Republican ticket will be elected in Salt Lake county by a plurality of over 5,000. Salt Lake City will also go Republican by a safe margin.

BY JAMES H. MOYLE,  
Democratic State Chairman.

The Democratic party will carry Cache county, and we believe we will carry Box Elder, Weber and Salt Lake counties. We have Utah county nailed down solid. We will carry Sanpete county, unless there is a decided over-night change. We also claim victory in Summit, Wasatch, Washington and a number of distant counties. This statement is based on the most reliable information we have been able to gather.

"GOOD work! Now, get out your  
vote!"  
This, in substance, was the  
message flashed from Republican state  
headquarters to every Republican  
county chairman in the state last night,  
and a like message went from Re-  
publican county headquarters to every dis-  
trict chairman.

Closing the first part of what is re-  
garded as the most remarkable political  
campaign in the history of the  
state, Chairman C. E. Loose, Republi-  
can state chairman, gave his forecast of  
the results, which was for a Republican  
victory in the state, with one possible  
exception, and better than an even  
break in that county.

In the meantime, James H. Moyle,  
Democratic state chairman, was figur-  
ing out a forecast which claimed Cache,  
Utah and Washington counties for sure  
and a number of others as possi-  
bilities. At American headquarters, David  
C. Dunbar was too busy trying to  
raise money enough to keep half of his  
election day force at work to make any  
forecast.

The more or less ancient adage to  
the effect that, after all is said and  
done, votes are what count, will be  
subject to amendment when the re-  
sults are in tonight, inasmuch as in  
this campaign the Republican party in

message flashed from Republican state  
headquarters to every Republican  
county chairman in the state last night,  
and a like message went from Re-  
publican county headquarters to every dis-  
trict chairman.

Closing the first part of what is re-  
garded as the most remarkable political  
campaign in the history of the  
state, Chairman C. E. Loose, Republi-  
can state chairman, gave his forecast of  
the results, which was for a Republican  
victory in the state, with one possible  
exception, and better than an even  
break in that county.

In the meantime, James H. Moyle,  
Democratic state chairman, was figur-  
ing out a forecast which claimed Cache,  
Utah and Washington counties for sure  
and a number of others as possi-  
bilities. At American headquarters, David  
C. Dunbar was too busy trying to  
raise money enough to keep half of his  
election day force at work to make any  
forecast.

The more or less ancient adage to  
the effect that, after all is said and  
done, votes are what count, will be  
subject to amendment when the re-  
sults are in tonight, inasmuch as in  
this campaign the Republican party in  
Utah will demonstrate that it is the  
organization that succeeds in getting  
out the vote.

Every detail of the campaign has  
been worked out and executed with the  
utmost care.

BY COL. C. E. LOOSE,  
Republican State Chairman.

The Republican party will carry every county in the state, with the possible exception of Washington county. We will elect Congressman Howell and Judge Straup by over 15,000 plurality. The Republican ticket will be elected in Salt Lake county by a plurality of over 5,000. Salt Lake City will also go Republican by a safe margin.

BY JAMES H. MOYLE,  
Democratic State Chairman.

The Democratic party will carry Cache county, and we believe we will carry Box Elder, Weber and Salt Lake counties. We have Utah county nailed down solid. We will carry Sanpete county, unless there is a decided over-night change. We also claim victory in Summit, Wasatch, Washington and a number of distant counties. This statement is based on the most reliable information we have been able to gather.

"GOOD work! Now, get out your  
vote!"  
This, in substance, was the  
message flashed from Republican state  
headquarters to every Republican  
county chairman in the state last night,  
and a like message went from Re-  
publican county headquarters to every dis-  
trict chairman.
